AUSRA PAUKSTE

Escorting tours for more than 15 years

I come from Lithuania, one of the Baltic States. Difficult to find, but hard to forget. I start breathing deeper and my heart rate goes up if you start talking about travelling. This is how I feel about travel. An active life as a Tour Director is the greatest gift I have because I feel that I am in a right place. I love different cultures and languages. I can say "hi" and "thank you" in dozens of languages. I love traveling in Europe, it's an incredible continent with so many hidden places, it never stops surprising you. I have been to many places but Norway has become my favorite country to tour because of its landscape and nature.
