MANILA DUMAGUETE SIKUIJOR BOHOL EL NIDO
10NIGHTS 11DAYS
01 APRIL 2026 – 31 DECEMBER 2026**

The Philippines is an archipelago bounded by the Pacific Ocean to the east the Bashi Channel to the north the Sulu and the Celebes Seas to the south. You can find us East of Vietnam, North of Indonesia.

*The country is divided into the geographical areas of Luzon, Visayas and Mindanao. Its capital, the **City of Manila**, is in **Luzon**. You can also enter through the cities of Cebu in the **Visayas**, and Davao in **Mindanao**.*

Mabuhay!

The country is made up of 7,641 islands. Some have grown into cities. Some are the epitome of tropical dreams. Some are just long enough to lay down on and get a tan.

Big. Small. Sandy. Sunny. Relaxing. Exotic. Beautiful. Our little clutch of islands makes for one long stretch of beach – more than 15,500 kilometers. Here, no one is more than two hours away from a beach-side lounge chair – which explains why everybody knows how to smile and have fun!

Manila Chinatown is located just across the Pasig River opposite the Spanish walled city Intramuros.

Today, with its maze of narrow streets, storehouses, bazaars, restaurants and business establishments, Chinatown which is commonly known as Binondo, seems hardly changed after centuries as the city's Chinese borough. Still bustling with endless commercial activity, this former core of international trade has now become a haven for those in search of authentic oriental cuisine and bargains.

Welcome to Siquijor Island!

For most Filipinos, Siquijor is a mysterious other world of witchcraft and the unknown. True, this tiny island province is famous for its mountain dwelling mangkukulam (healers) who brew traditional ointments for modern ailments.

But these days Siquijor's most popular healing practice involves a cocktail and a deck chair at any number of its laid-back and wonderfully affordable beach resorts. Attractions include great diving, waterfalls, caves and forest walks in the hilly interior.

Just about everywhere on Siquijor is great for snorkelling – find the nearest beach and dive in. Like many beaches in the Visayas, swimming is only possible during high tide, and wearing thongs (flip-flops) is recommended as protection against sea urchins.
